LOCAL SUPPLEMENT FOR EGYPT**

*You have been invited to invest in shares of L'Oréal ("**Shares**") in the L'Oréal group employee share plan 2026 ("**2026 Employee Offering**"). You will find below a brief summary of the local offering information and principal tax consequences relating to the offering.*

Local Offering Information

Subscription Period

The subscription period starts on June 10, 2026 and lasts until June 24, 2026 (inclusive).

During the subscription period, you may subscribe online at <https://invest.loreal.com>. Username and password will be provided to you by email or mail. You may also subscribe with a paper subscription form should you not have access to internet. Please contact your Human Resources department to receive a subscription form.

Unless you subscribe through Internet, please return your duly completed subscription form before June 24, 2026 at your company's Human Resources Department, attention, Ms. Sarah Ehab Rashed.

Subscription Price

The subscription price will be set on June 5, 2026 as the average opening price of the Shares over the 20 preceding trading days minus a 20% discount.

It is to be noted that your subscription is in euro. Consequently, for purposes of your subscription, the amount of your payment in Egyptian pounds will be converted by your employer using the exchange rate, applicable by or around the beginning of June 2026, that will be communicated to you on demand. During the life of your investment, the value of the Shares subscribed through the FCPE will be affected by fluctuations in the currency exchange rate between the euro and Egyptian pounds. As a result, if the value of the euro strengthens relative to the Egyptian pounds, the value of the Shares expressed in local currency will increase. On the other hand, if the value of the euro weakens relative to the Egyptian pounds, the value of the Shares expressed in Egyptian pounds will decrease.

Method of Payment – What are the payment methods available for my subscription?

The following payment methods are available:

- Wire transfer to the employer bank account no. 023-041486-001, between July 10 and July 21, 2026.
- Monthly deductions from your salary over 10 months starting in August 2026, with no monthly deduction exceeding 10% of each monthly salary
- A mix of the two payment methods mentioned above

Custody of your shares, voting rights, dividends

Your shares will be subscribed and held on your behalf by a collective shareholding vehicle, known as a *Fonds Commun de Placement d'Entreprise*, or an FCPE, which is commonly used in France for the conservation of shares held by employee-investors. You will be issued units in the FCPE corresponding to the shares you will have subscribed and those representing the employer matching contribution once delivered to you at the end of the lock-up period subject to the conditions described below.

As long as your L'Oréal shares are held by the FCPE « L'OREAL EMPLOYEE SHARE PLAN», the voting rights pertaining to such shares will be exercised by the supervisory board of the FCPE on behalf of the employees.

Any dividends paid by L'Oréal will be automatically reinvested in this FCPE. Such reinvestment will result in the issuance of additional units or fraction of units.

Currency Exchange Control

Transfer of funds out of Egypt should be made through a bank in Egypt authorized to deal with foreign currency.

Since the events that took place in Egypt on January 25, 2011, the Central Bank of Egypt set certain rules limiting/regulating persons' ability to transfer foreign currency outside of Egypt. Those new temporary rules give banks the authority to ask for the reason behind the transaction, supported with documentation. The information shared by the client is then forwarded to the Central Bank of Egypt ("CBE") which in turn either approves or declines the transfer.

Since November 2017, however, the CBE has been easing the regulations associated with transfers of foreign funds, along with any set limitations. However, Egypt is currently facing some foreign currency shortages, which may hinder the transfer process if the company does not have its own foreign currency.

It should be noted that with some banks, to have the transfer of funds procedure abroad accepted, you must have a bank account with said bank that has been active for a minimum period of three months.

Securities Notices

There are no securities notices that you need to consider.
